About the Artist

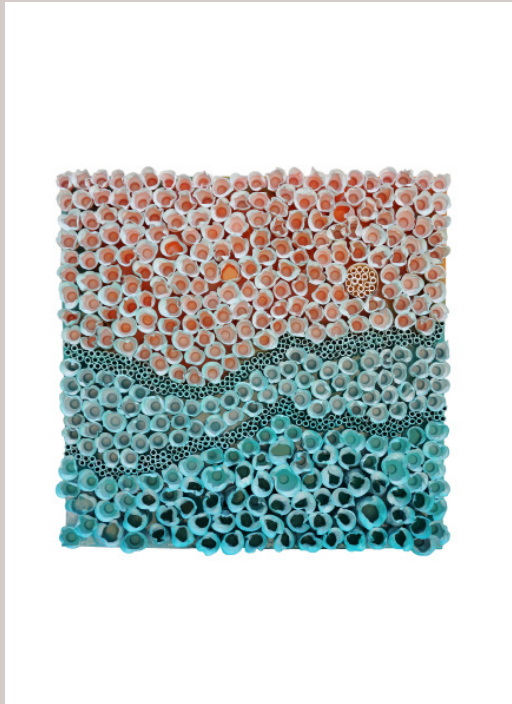

Caroline Berzi was born and resides in Egypt, where she received her degree in Business Administration. Following a 7-year career as a financial analyst, her passion for the arts led her to become a full-time artist. Caroline recently graduated from SACI Florence with a Post-Bac Studio Arts Degree in 2019, where she focused on painting, serigraph, and installation works. Berzi did one solo show, *Genesis* (Motion Art Gallery) on the 10th of June and participated in several group shows: *Different Melodies* (Ubuntu, 2019), *Pendulum* (Florence, 2019), *The Fleeting Other* (Florence, 2019), *LePasha* (Cairo, 2017) and *Artabitta* (Cairo, 2015 & 2019).

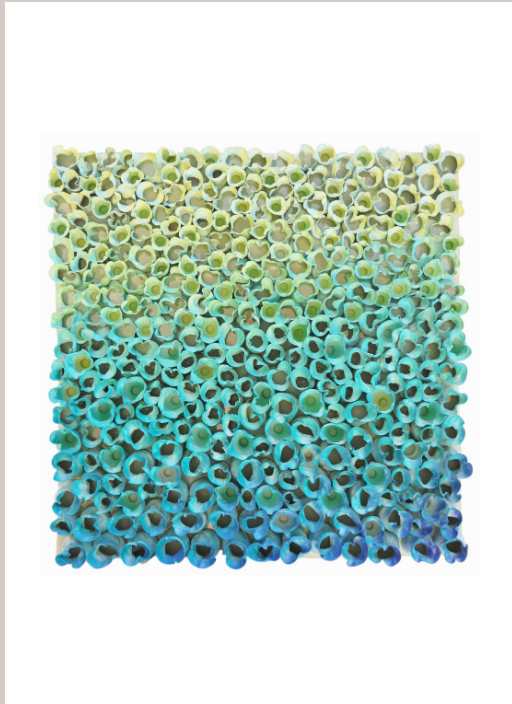

Cool Current
